Job Description

Telebusiness Manager

Job details

Division	Customer Experience	Grade	S12
Business area	Sales Retention	Location	Auckland
Reporting to	Team Leader Auckland Telebusiness	Revenue	\$4.0mil
Direct reports	Nil	Safety sensitive	No
Last updated	February 2017		

Job purpose

The Telebusiness Managers' purpose is to manage a portfolio of customers to the total value of \$4 million as well as to win new business with customers that do not presently use or partially use CourierPost, where customers have a revenue opportunity up to \$50k per annum. They will also generate and provide lead referrals through to the appropriate channels.

Telebusiness Managers need to have a broad understanding of the freight industry to be able to match customer needs and solve problems within the business operating parameters. Meet the risk/return needs of shareholders and exceed customer service expectations. The jobholder will have contact with both internal and external customers and will need to establish strong, positive and proactive relationships with the customers to enable our targets to be met and at the same time ensuring that the customer's needs are met. Telebusiness Managers are also required to prospect and win new business.

Role holder will be expected to exercise judgement and common sense when managing resources and lead referrals. Customer pricing and margins be managed within agreed parameters with commercial judgement a key factor.

Our organisation

Around since 1840, New Zealand Post has a long history – and a great future. There are many of us – involved in postal, banking, communication, data management, logistics and distribution services – helping New Zealand run. Our eyes are firmly on the future and making sure we bring the best of it to our customers and communities.
